

RIVER BOURNE COMMUNITY FARM

PRACTICAL FARM SESSIONS

Farm-based activities and experiences to engage young people with the land, animals and nature.

From September 2021, we are offering small group sessions on the farm for home-educated young people aged between 7-10, 11-13 and 14-16.

The farm has been delivering quality outdoor education for 10 years, including GCSE equivalent vocational qualifications.

To register your interest and for more information on this programme (including costs), please email us, giving your child's age to: education@riverbournecommunityfarm.org.uk
